AACC Meeting Agenda
Monday March 3, 2003

1. OpenTime Status (Dave Ross) - 10 minutes
2. PolyComm Status (Craig Schultz) - 5 minutes
3. Password Guidelines (Dave Ross) - 15 minutes
4. Migration Plan (Dave Ross) - 30 minutes

Online Grading was an intended agenda item for this meeting but has been deferred until the next meeting so that Tom Zuur from Academic Records can attend and be part of the discussion.

Regarding the next meeting. The number of future agenda items has increased to the point that 1 meeting per month is simply not enough. We will be going to a twice a month format, hopefully starting in March.
